My Everafter

Enchant

Running out of time
But I still don't try
I can hardly breathe
When you don't come aroundThought I'd write it down
Did then threw it out
Reality is the pill
And you help me choke it downStay my cure for vanity
Stay my source of laughter
My broken record remedy
Stay my everafter
My everafter
I don't say enough
And I never lose my [Incomprehensible]
But you, you can shell an oyster
With nothing but a stareStay my cure for vanity
Stay my source of laughter
My broken record remedy
Stay my everafterMy everafter
My everafterStay my cure for vanity
Stay my source of laughter
My broken record remedy
Stay my everafter
Stay my cure for vanity
Stay my source of laughter
My broken record remedy
Stay my everafter
