Men gue men

Wess Fosso

MEN GUE MEN
(LONE MAN)While saying the things
you say about people
Start thinking
their own way !Me myself I'm a lonesome man
But how far have you been
since you walked with so many
friends aroundIssue remains the same
For whom walked
with many others or still alone
Such as a famous ghostHey ! MEN GUE MEN (lone man) HeyMama !
KOH NE KCHOUA'A (don't cry again...)
ME NAH MAKABOU (..and I'll cook some "makaboo"...)
FAH-YOU (...and give it 2U.)Honey !
KOH NE KCHOUA'A (don't cry anymore...)
ME NAH KUMKUM (...and I'll cook some "koom-koom")
FA-HOU..... MBOH ! (...and give it 2U.)I'm not forcing
anyone nor myself to live with others
As nobody's Destiny
was attached to third party's (yeah)Mama (don't cry again as I'll cook some "makaboo" and give your own)
Honey (don't cry again and I'll cook some "nkoom-nkoom" and make it yours)Issue remains the same
For who walked "hue hue hue"... alone !
Or still
with many people...
around[scattering]
Hey, hee-yeah
Boodoo body Hey...hum...
KUM-KUM FA-HOU...MBAH !
[Cut]
