Back and Forth

Dr. Steel

Female: Listen to me, listen to me my children
Listen to me, listen to me, listen to me

Dr Steel: Gather around to hear the sound of my voice
Yes girls and boys, well you?re making a choice
You can think for yourself or you can buy all my toys
Disregard mental health, Jump around make some noise

I?d never lie to you; you know I?d die for you
Yeah I love you to, so just do what you do
Consume and gobble it up
C?mon show me some love or ill be blowing you up

I?m lying through my teeth
To get them following me
I?ll be what you want me to be
That?s why I?m dancing dancing

Chorus: Back and Forth, Back and Forth, Back and Forth, Side to Side
Back and Forth, Back and Forth, Back and Forth, Side to Side

D r Steel: See Me!
Stare into my eyes you?re getting sleepy
Feed Me!
Then ill feed the hungry and the needy
TV!
Is the living eye of education
Free Me!
And I?ll drag a burning smile across this nation

Chorus: Back and Forth, Back and Forth, Back and Forth, Side to Side
Back and Forth, Back and Forth, Back and Forth, Side to Side
Back and Forth, Back and Forth, Back and Forth, Side to Side
I Go back and back and Back

Insrumental
