Heartbeat

Compact Disco

You passed before me, my mind promptly stopped,
You came toward me, my heart almost popped,
You flashed your smile and I felt weak in my knees.
(Thats your effect on me)By flashing that smile youve just made my day,
and then my legs started going your way,
I leant to your ears and asked for your name.
You-You said: Its Angel, babe.Chorus:
All you had to say: Its Angel, babe.
My heartbeat was like ooh-ooh-ooh-ooh.She opened her heart and I saw my peace,
Harmony in my life, my destiny.
She smiled at me, I know I was lost again.
(Thats her effect on me)
