Sarah Jane

Terry Lewis

I've got a wife and five little children
I'm gonna take a trip on the big McMillan
With Sarah Jane, Sarah Jane
Ain't nothin' to do but to set down and sing
And rock about my Sarah Jane
The boiler busted and the whistle squall
Captain gone through the hole in the wall
Oh, Sarah Jane, Sarah Jane
Ain't nothin' to do but to set down and sing
And rock about my Sarah Jane
The engine gave a crack and whistle gave a squall
The engineer gone to the hole in the wall
Saroh Jane, Saroh Jane
Ain't nothin' to do but to set down and sing
And rock about my Saroh Jane
Yankee built boats to shoot them Rebels
My gun's steady gonna hold it level
Saroh Jane, Saroh Jane
Ain't nothin' to do but to set down and sing
And rock about my Saroh Jane
I've got a wife and five little children
I wanna take a trip on the big McMillan
Saroh Jane, Saroh Jane
Ain't nothin' to do but to set down and sing
And rock about my Sarah Jane
