There's never been a time like this
People are struggling, to hold their jobs
And keep their homes

Of modern life, Lord we're begging pleaseRISE 1

Be encouraged (BE ENCOURAGED)

You won't find answers in material things
Or what men may say
They always make mistakes
You got to find the answer within your heart
Many don't have what you have
That's got to be a start.RISE 2
You got to know, God's watching over you
His hands will guide you throughHOOK X2BRIDGE

With wealth and fame
True happiness comes when you realise
You're already rich, you just don't know it yetHOOKOUTRO
