No Escape

Compact Disco

You shouldnt be blocking and lock the way,
when youre there,
I promise this way youll get away,
in the air,I bet you know that sometimes you cant choose,
no escape,
I know that you wont feel relief this way,
run away.Chorus:
Its a dirty-dirty, dirty-dirty world!Maybe, ow,
maybe can I go along this ride with you?
Maybe, ow,
maybe can I go along this ride with you?
