Life Is A Minestrone

10cc

I'm dancing on the White House lawn
Sipping tea by the Taj Mahal at dawn
Hanging round the gardens of Babylon
Minnie Mouse has got it all sewn up
She gets more fan mail than the Pope
She takes the mickey out of all my phobias
Like signing cheques to ward off double pneumoniaLife is a minestrone
Served up with parmesan cheese
Death is a cold Lasagne
Suspended in deep freezeI'm leaning on the Tower of Pisa
Had an eyeful of the tower in France
I'm hanging round the gardens of MadisonAnd the seat of learning
And the flush of success
Relieves a constipated mind
I'm like a gourmet in a skid row diner
A fitting menu for a dilettanteLife is a minestrone
Served up with parmesan cheese
Death is a cold Lasagne
Suspended in deep freeze
Love is a fire of flaming brandy
Upon a crepe suzette
Let's get this romance cooking, honey
But let us not forgetLife is a minestrone
Served up with parmesan cheese
Death is a cold Lasagne
Suspended in deep freeze
