Marshvll

Floating under water
Ever changing
Picture hours out from that
Into with all our dreams
The ocean takes me
In to watch you shaking
Watch you wave your powers
Tempt with hours of pleasure
Take me one more time
Take me one more wave
Take me for one last ride
I'm out of my head
Tonight
Tonight
Tonight
Tonight, I
The sound of the waves collide
The sound of the waves collide
The sound of the waves collide
Tonight
Cruising through the city
After hours
With me fusing all our powers
Here's to all our
Take me one more time
Take me one more wave
Take me for one last ride
I'm out of my head
Tonight
Tonight
Tonight
Tonight
The sound of the waves collide
The sound of the waves collide
The sound of the waves collide
Tonight
