The End

Rough Silk

This is the end of love
Is this the end?
This is the endA little boy stands by the waterfall
He wants it all
He's tremblin' in his rage
And life soon turns the pageThe little boy's now growing older fast
And even though his aims don't last
He's on the run - another one
Like all the restWhat are we fightin' for
Why do we still want more?
Another lie another battle cry
As time goes byThis is the end of love
This is the end of hope
This is the end and this is the time
And maybe it's just a simple rhymeThis is the end of life
And this is the end of the fight
There's so much we never should understand
And this is the endThe little boy's now gray to pass away
Waitin' for his judgment day
Come what may
When dreams decayAnd here I stand
And watch the waters flow
And still I don't know
Where do we go from here?
