Brand New Thing

The O.C. Supertones

Oh, I know there'd be trouble,
It's what happens when you live,
But hope is like a flame that never dies,
Hard's the road that I have taken,
But I walk it unforsaken.
I know this trial is not in vain because,
I feel my heart begin to change.(chorus)
I am a brand new thing,
Love came walkin' in.Oh, God make me stronger so I can wear the cross,
I'm weak.
I've fallen down so many times,
I will bear the weight of sorrow and it won't seem so great tomorrow,
Death to lose and life to gain.
Now I feel my heart begin to change,(chorus)
