I Feel U

Sianoa

This love is growing, and it's taking control
boy I wanna know
if you feel this for sure
because if you say forever baby, I'm on board
yeah, I'm all yours
forever to holdwe touch, we're one
cant stop, this love
we touch, we're one
can't stop, this loveI feel you
high on feeling you
I feel you
high on feeling you
I feel you
high on feeling you
high on feeling youhigh on feeling you
high on feeling youJust touch me baby yeah, I'm all you need
yeah, we got the love
holographic hearts
together we're electric, oh my god, your my god
you like watching me
heaven is freewe touch, we're one
cant stop, this love
we touch, we're one
can't stop, this loveI feel you
high on feeling you
I feel you
high on feeling you
I feel you
high on feeling you
high on feeling youhigh on feeling you
high on feeling youthis life
do it right
paint your canvas
walk in light
in your tight black jeans
holding me
dancing through
eternitywe touch, we're one
cant stop, this love

we touch, we're one
can't stop, this loveI feel you
high on feeling you
I feel you
high on feeling you
I feel you
high on feeling you
