

# Brand New Thing

## The O.C. Supertones

Oh, I know there'd be trouble,  
It's what happens when you live,  
But hope is like a flame that never dies,  
Hard's the road that I have taken,  
But I walk it unforsaken.  
I know this trial is not in vain because,  
I feel my heart begin to change.(chorus)  
I am a brand new thing,  
Love came walkin' in.Oh, God make me stronger so I can wear the cross,  
I'm weak.  
I've fallen down so many times,  
I will bear the weight of sorrow and it won't seem so great tomorrow,  
Death to lose and life to gain.  
Now I feel my heart begin to change,(chorus)
