Opposite Octave Reaction

Scott Weiland

Daddys got the key
Daddys got the mag
'Naked lady by the tree'The school girls call me pervert
A weirdo and a freak
But I like daddys girl
She never teases meOpposite Octave Reaction
Opposite Octave ReactionWaiting on the lady
Waiting at the tree
Waiting for my wife
Who sexually kills meBut daddys got the mag
Still underneath the bed
And sometimes I still get her
Only in my headOpposite Octave Reaction
Opposite Octave ReactionShe always gets me to go again
To go again
She always gets meDaddys got the picture
Daddys got the key
Daddys got the mag
'Naked lady by the tree'The school girls call me pervert
A weirdo and a freak
But I like daddys girl
She never teases meWaiting on the lady
Waiting at the tree
Waiting for my wife
Who sexually kills meBut daddys got the mag
Still underneath the bed
And I get her sometimes
But only in my headOpposite Octave Reaction
