Spooky

New Order

[Incomprehensible]Once in a while I need a friend
So why won't you let me recover
It's just a moment in your life
But sometimes we divide each otherMaybe we could find a time
Eliminate what's on your mind
We'd do everything we could
Our presence in the neighborhoodWe could break every rule
Anytime we wanted to
Don't be afraid to live this way
Lets defend the things we sayI want to be up in the air
I could be anywhere
Tell me I'm wrong, at least till tomorrow
Set me free and I will followMaybe we could find a time
To elevate what's on your mind
Recreate for me and you
A master plan just for twoWe could break every rule
Anytime we wanted to
Don't be afraid to live this way
Lets defend the things we sayWe could break every rule
Anytime we wanted to
Don't be afraid to live this way
Lets defend the things we sayWe could break every rule
Anytime we wanted to
Don't be afraid to live this way
Lets defend the things we sayElevate what's on your mind
Eliminate what's on your mind
Elevate what's on your mind
