This is for Polow's bitches, for money making bitches
All my ladies, throw your hands in the air
I got Patron in my cup and I don't give a fuck
The baddest bitch in the club right here
They wanna see me drop it, drop it, drop it
Wanna pop it, pop it, pop it, shake that ass on the floor
You wanna see me shake it, shake it, shake it
Yeah, you like it, like it, like it when I drop it real low
Yeah boy, you like that
I can tell that you like that
Yeah boy, you love it when my booty goes
Boom, ba-ba-boom, ba-boom, ba-boom, boom
Drop it, drop it low, girl
