The Way You Look Tonight

Harry Connick, Jr.

Someday, when I'm awfully low
When the world is cold
I will feel a glow just thinking of you
And the way you look tonight
And you, you're lovely
With your smile so warm and your cheeks so soft
There is nothing for me but to love you
And the way you look tonight
With each word your tenderness grows
Tearing my fears apart
And your laugh that wrinkles your nose
And it touches my foolish heart
You're lovely, never ever change
Keep that breathless charm
Won't you please arrange it?
'Cause I love you just the way you look tonight
With each word your tenderness grows
Tearing my fears apart
And your laugh, I love it when wrinkles your nose
'Cause it touches my foolish heart
You're lovely, please don't ever change
Keep that breathless charm
Won't you please arrange it?
'Cause I love you just the way you look tonight
