Piece Of It All

Jann Arden

Right now somebody loves you
Right now somebody dreams about you
Right now somebody needs you
Right now somebody's proud of you, proud of youRight now somebody's calling your name
Right now somebody's hoping you're well
Right now somebody's feeling your shame
Right now somebody cares if you liveRight now somebody hears you
Right now somebody knows who you are
Right now someone is praying for you
Right now someone believes in your heartRight now somebody wants to be your friend
Right now somebody's thinking about you
Right now someone is wondering where you are
Right now you are a piece of it all, a piece of it all
A piece of it all, you are a piece of it all
