Mary Anne

Marshall Crenshaw

It isnt such a crime
It isnt such a shame
It happens all the time
You shouldnt take the blameGo on and have a laugh
Go have a laugh on me
Go on and have a laugh
At all your miseryMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
Im thinking of youMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary AnneYou take a look around
And all you seem to see
Is bringing you down
As down as you can beGo on and have a laugh
Go have a laugh on me
Go on and have a laugh
At how bad it can beMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
Im thinking of youMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary AnneMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
Im thinking of youMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary AnneYou take a look around
And all you seem to see
Is bringing you down
As down as you can beGo on and have a laugh
Go have a laugh on me
Go on and have a laugh
At all your miseryMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary AnneMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
Im thinking of youMary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne, Mary Anne
I really wanna tell you Mary Anne, Mary Anne
Mary Anne, Mary Anne
