Lovin' that you' givin', baby no one else could
Lovin' how it's feelin', baby it's so good
I can hardly wait, not another day, so you gotta hear me say
That could be no one to hook into it like you do
Nothing could compare to what I feel for you
I can hardly wait, not another day, so baby don't you hear me
So enter mi chamber, buss di glock
Shot it up like a ranger and mek it hot
Make ma body say
(La la la la, longly, longly lay, la la la la, longly long)
Like one in a cylinder
(Push it up)
Ride ma body like a ninja, don't stop
'Til ma body say
(La la la la, longly, longly lay, la la la la, longly long)
