

# She Thinks I Still Care (Take 2)

Elvis Presley

Oh just because I asked a friend about her  
Just because I spoke her name somewhere  
Just because I rang her number by mistake today  
You know she thinks I, I still care And just because I haunt the same old places  
With a memory I will linger everywhere  
Just because I'm not the happy guy I used to be  
Lord, you know, she thinks I still care Well, if she's happy thinking I still need her  
Yea, let that silly notion bring her cheer  
Oh how could she ever be so foolish  
Tell me where did she get, lord such an idea Yea, oh lord  
Just because I asked a friend about her  
And you know, just because I spoke her name somewhere  
Just because, lord I saw her and went to pieces  
Lord, you know, she thinks I, lord, still care
