Black Curls

Fink

And I get tangled up and under
I get tangled up and under
Black curls yeah
Oh up and under
Black curls
Black curls
Black curls
Black curls oh yeahAnd I reach out in the dark
I reach out in the dark
I reach out in the dark
Black curls
I reach out in the darkness and the silence
For the black curls
For me
For me
Black curls
Black curls
And I know it's certain
And I know it's certain we will meet
I know it's certain we'll meet agian
Meet againI remember baby, I'm like
In my arms you fell
That night, that night
Black curlsAlive that night in my arms
Oh black curls
Felt that night, as you did
You did
Black curls
And the flame flickers
And the amers glow
Flame flickers
And the amers glow
And the flame flickers
And the amers glow
And the flame flickers
And the amers glow
Black curls
Black curlsI get tangled up and under
I get tangled up and under

Black curls
Black curls
