priceless

Purple Project

i pulled up to the club on dubs
they say look at them go
look at them go
and raised up with some girls tryin to cut 3 times in a row
times in a row
cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless
and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless
baby dats priceless
err but the projects
postin dats the object

then you better switch the topic
bitch nigga stop it

money in the bag
probly takin out the garbage
i know dem boys snitchin
cuz they're scared of 1st degree
but you can tell em f.e.d's
im in VIP
w/ 4 mill chedda keep boy keys
the window to the wall
supplier of wat you need
got no wife but the wife be my girlfriend
my girlfriend girlfriend
lookin for a girl friend
nick name tail spin
meet you in da whirlwind
lord hear the way
now dey ask you where the world went
i pulled up to the club on dubs
they say look at them go
look at them go
and raised up with some girls tryin to cut 3 times in a row
times in a row

cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless

So it have to make sense

Ima dead president
All of um dead

Toe tag money see it fallin out da sky
Bitch if im priceless
Then burry me alive
My pockets like caskets
Death live inside
i pulled up to the club on dubs

and raised up with some girls tryin to cut 3 times in a row
times in a row
cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless

and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless

green all red shinin any weather
customized jeeps for high priced life nigga
get it till you cant no mo

and give a f**k bout the price
precious little tight blue heart on my mike
she?ll get your whole life for a stack

i pulled up to the club on dubs
they say look at them go

and raised up with some girls tryin to cut 3 times in a row
times in a row
cuz i spent 20 on my tires
30 to be icy
but me bein fly dats priceless
and i gave 40 to my side chick
50 to the wifey
but me bein fly dats priceless
baby dats priceless
