You & I (Kodak To Graph Remix)

Crystal Fighters

Happy, spinning, clapping,
laughing, dancing, in the blackness of magic.
Get it, have it, bag it,
throw yourself on the aeroplane and fly like magic.
No sleep, no chance, no need forget about it.
One life, live free,
big dreams were all about em.
Youre finding it, take it,
take it in its all a hit
You and me, no-one else,
its nothing else but us right now.
And I aint need nothing else,
no-one else but you and I.
And it aint me, it aint you,
its only us, its us right now.
Youre findin it, take it,
take it in its all a hit.
You and me, no-one else,
nothing else but us right now.
And I aint need nothing else,
no-one else but you and I.
And it aint me, it aint you,
its only us, its us right now.
You and me, no-one else,
nothing else but us right here.
You and I, no-one else,
nothing else but you and I.
(you and I x4)
Time is not the constant my friend,
You cant tell me out of that one again.
Yeah like we gave ourselves the Benz.
To a line Ill never understand.
Speed it up, or if you mean it slow it up a little bit just to speed it back up again.
Ham me up or send me down
and I wont ham it up or simmer down with it brethren.
Nothin else but us right now
And I aint need nothing else,
no-one else but you and I.
And it aint me, it aint you,

its only us, its us right now.
Youre findin it, take it, take it in its all a hit.
You and me, no-one else, nothing else but us right now.
And I aint need nothing else, no-one else but you and I.
And it aint me, it aint you, its only us, its us right now.
You and me, no-one else,
nothing else but us right here.
You and I, no-one else,
nothin else but you and I.
(you and I x6)
Hard to find the words to tell oh-oo-oh
The story of you and Ioh yeah
Oh theres nothing left just you and I,
no-one else, nothing else but you and I.
(you and I x2)
Aint nobody else
(you and I)
You and I, no-one else,
nothing else but you and I (you and I)
(you and I)
To me aint nothing else
(you and I)
Yeah nobody else
(you and I)
You and I, no-one else,
nothing else but you (you and I)
