Animal

The Acid

Woo-oo-oo Woo-oo-oo-ooooo (x4)I need your love
Pushing on my pride
I want your touch
Pressing on my hideTell me, animal
Call it what you want
Push me in a ball
Tearing at the wallsWoo-oo-oo Woo-oo-oo-ooooo (x4)Oh now come on
Put it on my pride
Taste like a storm
Let it come, it comeTell me, animal
Call it what you want
Push me in a ball
Tearing at the wallsWoo-oo-oo Woo-oo-oo-ooooo (x4)
I need your love
Pushing on my prideTell me, animal
Call it what you want
Push me in a ball
Tearing at the wallsI need your love
