Time to go,
I have to leave you
You'll blink your eyes
And I'll be gone
I sing your favorite song one last time to you,
And when I'm out of view I break down and start to cry.I couldn't fight these tears even if I wanted to.
Every day again.
You can't imagine how much I love you
EobaneEvery day feels like the same old day
Since the day I walked away.
And sleep is just some distant stranger.
(When I'm without you)
Who sings your favorite song for you now?
When no one's watching me I break down and start to cry.
I couldn't fight these tears even if I wanted to.
Every day again.
You can't imagine how much I love you
EobaneI miss it,
To see you
Hear you
To tell you
The things I do
I love you!You took my heart by storm.
When I'm without you it feels so old and worn.
Not bad for a girl who's barely born.Daddy sings your favorite song
Daddy sings your favorite song
All the time
And I cry
All the time
I couldn't fight these tears even if I wanted to.
Every day again.
You can't imagine how much I love you
