You Sure Look Good to Me

Phyllis Hyman

I can feel the danger
As you light that cigarette
Watchin' you move in closer
This could be a night I might regretI'm keepin' my options open
'Cause now we're dancin' slow
And deep inside there's a voice
Tellin' me I better goBut you sure look good to me tonight
It feels so good to me, so right
I can't take my eyes away from your little boy smile
You look so good to me, I'm gonna stay awhileThere's a chain reaction
When you put your hand on mine
Needles and pins I'm feelin'
Could it be the music or the wineMakin' me feel so crazy
When you whisper in my ear
'Bout all the love we could make
I should be gettin' out of hereBut you sure look good to me tonight
It feels so good to me, so right
I can't take my eyes away from your little boy smile
You look so good to me, I'm gonna stay awhileYou look good to me tonight
It feels so good to me, so right
Can't take my eyes away from your little boy smile
You look so good to me, I'm gonna stay awhileYou look good to me tonight
It feels so good to me, so right
Can't take my eyes away from your little boy smile
You look so good to me, I'm gonna stay awhileYou look good to me tonight
It feels so good to me, so right
Can't take my eyes away from your little boy smile
You look so good to me, I'm gonna stay awhile
