I Hate Love

Claude Kelly

I Hate The Mornings
Because I Know What They Bring
You Get Up and Take A Shower
And In No Time You're Leaving
And It Sounds So Selfish
But I Can't Help But Think
That If You Knew How Much I Needed You
You'd Stay'Cause I Hate Goodbyes
I Hate These Tears In My Eyes
I Hate Myself For The Way I Feel
About You Everytime
I've Had Enough
I'm Sick Of Wishing He Was
Around Me Everyday, Everynight
Its Way Too Much
I Hate Love, Yeahhh
I Hate Love, YeahI Hate Your Phone Calls
In The Middle Of The Day
'Cause All They Do Is Just Remind Me
That My Baby Is So Far Away
It Drives Me Crazy
'Cause I Need You With Me
I Know Its Hard For You To
Understand When I SayThat I Hate Goodbyes
I Hate These Tears In My Eyes
I Hate Myself For The Way I Feel
About You Everytime
I've Had Enough
I'm Sick Of Wishing He Was
Around Me Everyday, Everynight
Its Way Too Much
I Hate LoveI Don't Want To Feel This Alone
(I Can't Help It)
Everytime You Walk Out The Door
I Start Missin' Ya
(I Can't Help It, No)
I Wish I Didn't Need You This Much
(I Can't Help It)
But I Love How It Feels

When We TouchI Hate Goodbyes
I Hate These Tears In My Eyes
I Hate Myself For The Way I Feel
About You Everytime
I've Had Enough
I'm Sick Of Wishing He Was
Around Me Everyday, Everynight
Its Way Too Much
I Hate Goodbyes
I Hate These Tears In My Eyes
I Hate Myself For The Way I Feel
About You Everytime
I've Had Enough
I'm Sick Of Wishing He Was
Around Me Everyday, Everynight
Its Way Too MuchI Hate Love
I Hate Love
I Hate Love
