Surfacing

Chapel Club

It's building in me, I feel it surfacing
Am I becoming my impurities?
You turned to see and look at me
I'm turning into what you seeI'm changing inside, I'm changing inside
I wish I could take this away from me
I'm changing inside, I'm changing inside
The broken is finally surfacingI can feel it slowly changing me
I'm just a shell of who I used to be
You turned to see and look at me
I'm turning into what you seeI'm changing inside, I'm changing inside
I wish I could take this away from me
I'm changing inside, I'm changing inside
The broken is finally surfacingFinally surfacing, surfacing
Lay me down forever, finally surfacing
Lay me down forever, finally surfacingI'm changing inside, I'm changing inside
The broken is finally surfacing
I'm changing inside, I'm changing inside
The broken is finally surfacing
