# Black Maria

## DJ CLONEPA

Black Maria, you scare me so
I feel as though my heart stopped dead
You're a liar, this I know
I watch you go around my headOh, I'm going down slow, you scare me so
Oh, you never let go, you scare me soGay deceiver, my eyes, they burned
My insides turned, my brain, it rolled
Unbeliever but now I've learned
I took my turn, I come up coldOh, I'm going down slow, you scare me so
Oh, you never let go, you scare me soIf you must kill me, please let me dieBlack Maria, you scare me so
I feel as though my heart stopped dead
You're a liar, this I know
I watch you go around my headOh, I'm going down slow, you scare me so
Oh, you never let go, you scare me soIf you must kill me, please let me die
