Love Is a Good Thing

Johnny Paycheck

Girl, you give your precious love to me
And we've got a good thing goin'
There's no end in sight that I can see
'Cause our love just keeps on growin'Bring on happiness, let us sing
Love is a good thingWe can take what life may offer us
And when trouble comes around
There's no way it's gonna break us up
Nothing gets a good love downBring on sunshine, let us sing
Love is a good thing
Yeah, love is a good thing
Let us sing, love is a good thingAll I wanna do is love you more
And be all you'll ever need
'Cause there's one thing that I know for sure
Your good lovin' pleases meBring on gladness, let us sing
Love is a good thing
Love is a good thing
Let us sing, love is a good thingYeah, love is a good thing
Let us sing, love is a good thing
