I'm the Message

Karl Bartos

Look at me: I'm the message
In sound and vision, here and now.
Listen to me: I'm the message
In sound and vision here and now.Look at me: I'm the message
In sound and vision, here and now.
Listen to me: I'm the message
In sound and vision here and now.In sound and vision
In sound and visionSchau mich an: ich bin die botschaft
In bild und ton, hier und jetzt.
Hoer mir zu: ich bin die botschaftIn bild und ton, hier und jetzt.Look at me: I'm the message
In sound and vision, here and now.
Listen to me: I'm the message
In sound and vision here and now.In sound and vision
In sound and visionIn sound and vision
In sound and visionIn bild und ton
In bild und tonIn sound and vision
In sound and visionIn sound and vision
In sound and vision
