Holy One

Tramaine Hawkins

Holy One
(written by Walter Hawkins)
(recorded by Tremaine Hawkins & also LaShun Pace)

Verse 1:
Day is almost night,
I don?t want to lose this fight,
I?ve fooled around much too long.
Now I?ve been laxed,
but I don?t want to look back
I know that I?ve done wrong.

Verse 2:
Give me the strength I need
to be able to succeed,
and I will heed to Your every command.
And to everyone I?ll show,
my purpose and my goal,
and in You, I?ll be able to stand.

Chorus:
Holy one,
I never want to let you down no more.

Verse 2

Chorus

Vamp:
Oh, I?ll never let You down no more.
Never (4x),
I?ll never let You down no more.

Vamp 2: Never let You down

Ending:
I?ll never let You down no more,
never.
