Spellbound

Merlyn

Spellbound, obsessed, I'm entranced, possessed
I swear by stars above
I've never been so much in love
Caught up, entwined, in your embrace, it's so divine
You are my all
No lookin back, too far to fall
Spellbound
Baby don't you know, you got me spellbound
Spellbound
Wrenched an unknown feeling from my heart
baby doll you know you keep me spellbound
I'm so high on love I won't come down
Oh oh what do we do?
You fell for me I fell for you
Bewitched, but adored
I never loved like this before
I had a dream
My wish was granted
We got a love, I never thought I'd find
Under your spell, I stay enchanted
You cast a charm
Our love is so sublime
Spellbound

Baby don't you know, you got me spellbound
Spellbound
Wrenched an unknown feeling from my heart
Baby doll you know you keep me spellbound
I'm so high on love I won't come down
Your kiss is ecstacy, so much intensity
I swear by stars above
I've never been so much in love
Spellbound
Baby don't you know, you got me spellbound
Spellbound
Wrenched an unknown feeling from my heart
Baby doll you know you keep me spellbound
I'm so high on love I won't come down
Spellbound

Baby don't you know, you got me spellbound
Spellbound
Wrenched an unknown feeling from my heart
Baby doll you know you keep me spellbound
I'm so high on love I won't come down
Spellbound
Baby don't you know, you got me spellbound
Spellbound
Wrenched an unknown feeling from my heart
