Dreams And Disasters

Owl City

We, were alone, on the road, driving faster
So, far from home, we were chasing disaster
Hard, on the gas, til the car, caught on fire
We, had to laugh, as the smoke, billowed higher
I wanna feel alive forever after
And you say, you say you wanna feel alive forever after
And I, and I, and I say
Fo-o-ollow the li-i-ght through the dreams and disasters
Fo-o-ollow the li-i-ght to the edge and the after
We won't turn around
We will not slow down
Fo-o-ollow the li-i-ght through the dreams and disasters
Sting, of the sun, and the sound, of it rising
Still, on the run, with our eyes on the horizon
I wanna feel alive forever after
And you say, you say you wanna feel alive forever after

And I, and I, and I say
Fo-o-ollow the li-i-ght to the dreams and disasters
Fo-o-ollow the li-i-ght to the edge and the after
We won't turn around
We will not slow down
Fo-o-ollow the li-i-ght to the dreams and disasters
I just wanna feel alive
I just wanna feel alive
I just wanna feel alive
I just wanna feel alive
I just wanna feel alive
Fo-o-ollow the li-i-ght through the dreams and disasters
Fo-o-ollow the li-i-ght to the edge and the after
We won't turn around
We will not slow down
Fo-o-ollow the li-i-ight through the dreams and disasters
