Swallow

So Does Your Mother

Swallow

Take the trash of my mind
Swallow it all in one time

Be my centipede
Satisfaction is guaranteed

Tweet and post my words
Go and let them be heard

Taste my neural juice
You'll be sated as a french goose

Swallow the Shallow
Of our brains

Come on be my pot
The dog is the boss

Unleash me in your head
I'm gonna vomit everywhere

Swallow the Shallow
Of our brains
