Wrath

Necrodeath

Hey, man, do you wanna get a fist so hard?
Do you wanna see whoâ€™s in charge?
Iâ€™m gonna show you your future.
Hey man, you think youâ€™re strong enough to play this game
Itâ€™s gonna burn, like acid rain
Youâ€™re gonna need some sutures

I got this need, canâ€™t be broken
And Iâ€™m taking you on this ride.
I got this need, to be broken
And I keep all my love inside.

Hey, man, do you study your history?
Are you ready for World War III?
Be straight for me, Father.
Hey man, you think youâ€™re pretty but you never win
Run your mouth when you're with your friends,
By yourself, it's a slaughter

I got this need, to be broken
And Iâ€™m taking you on this ride.
I got this need, to be broken
And I keep all my love inside.

Broken

All I wanna do is make a mess of you
I canâ€™t control myself, is this really hell?
Iâ€™m doing what is right and now is time to fight
What defines a man, what defines a man
What defines a man

Hey, man, you better build a fucking barricade ?
Youâ€™re gonna need it 'cause Iâ€™m on my way
I need it more than water.

I got this need, to be broken
And Iâ€™m taking you on this ride.
I got this need, to be broken

And I keep all my love inside.

I got this need, to be broken
And Iâ€™m taking you on this ride.
I got this need, to be broken
And I keep all my love inside.
