When Your Mind's Made Up

Once (Original Soundtrack)

So if you want something and you call, call
Then I'll come running to fight and I'll be at your door
When there's something worth running for
When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point trying to stop it
You see, you're just like everyone
When the shit falls all you want to do is run away and hide all by yourself
When you're far from me, there's nothing else
When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point even talking
When your mind's made up
When your mind's made up
There's no point trying to fight it
So if you ever want something and you call, call
Then I'll come running
