Hometown Zero

Darkbuster

A hometown loser, A punk, A boozer
Leave me where I lie
A hometown zero, I wont ever be a hero
Sometimes I wish I'd dieOi, Oi, Oi
OiDepression, Is something I got everyday
So I drink ,hoping it will go awayA hometown zero, I wont ever be a hero
Sometimes I wish I'd dieOi, Oi, Oi
OiWell I think, I've finally made it in my head
I'm wondering why I'm hearing I'm not deadA hometown zero, I wont ever be a hero
Sometimes I wish I'd die
A hometown loser, A punk, A boozer
Leave me where I lieOi, Oi, Oi
Oi
