# Gotta Go

## Kristen Barry

Hmm, I gotta go
I'm juist gonna pack up and go
I'm finally gonna leave this town it's killing me
'Cause ten years is a long time for
Someone with a short life and
I gave it all I could, I did nowWould you love me if I was a junky
I can be cool I could be something
It's just not what I believe in
It's just not what I believe inHmm, did you notice
I stood there by the door
And I stood there through all your changes
But I guess we all have to grow up sometimes
We all have our lives to live
We all have to find out what it is we can give soWould you love me if I was a junky
I can be cool I could be something
It's just not what I believe in
It's just not what I believe inHmm.. I'm going
Hmm.. I'm going
