hey pig
yeah you
hey pig piggy pig pig pig
all of my fears came trueblack and blue and broken bones
you left me here; I'm all alone
my little piggy needed something newnothing can stop me now
'Cause i don't care anymore
nothing can stop me now
'Cause i don't careNothing can stop me now
'Cause I don't care anymore
Nothing can stop me now
'Cause I just don't carehey pig
nothing's turning out the way i planned
hey pig
there's a lot of things
i hoped you could help me understandwhat am i supposed to do
i lost my shit because of younothing can stop me now
'Cause i don't care anymore
nothing can stop me now
'Cause i don't careNothing can stop me now
'Cause I don't care anymore
Nothing can stop me now
'Cause I just don't careNothing can stop me now
Nothing can stop me now
Nothing can stop me now
Nothing can stop meNothing can stop me now
Nothing can stop me now
Nothing can stop me now
Nothing can stop meNothing can stop me now
Nothing can stop me now
Nothing can stop me now
Nothing can stop meNothing can stop me now

Nothing can stop me now
Nothing can stop me nowNothing can stop me now
