Baby It's You

Fiji

It's not the way you smile
That touches my heart
It's not the way you kiss
That tears me apart
Many, many, many nights go by
I sit alone at home I cry over you
What can I do, can't help myself
'Cause baby it's you
You should hear what they say about you
They say you've never, never, never been true, oh oh
Doesn't matter what they say
I'm gonna love you any old way
What can I do
When it's true
Don't want nobody
'Cause baby it's you
Many, many, many nights go by
I sit alone at home I cry over you
What can I do, can't help myself
'Cause baby it's you
