Only Boy

Strange Names

some people talk louder than others
endless infinity
i saw you read my word collection
master of telepathy
communicate through the walls
oh night, please go gently
i gotta see your face
my last memento
your style and grace(oh please sir)
(can i have some more)
(oh please sir)
what you waiting for?
look at me,
im your only boy
you wanna tell me
im your pride and joy,
cradle me cause im precious
settle down, im so restless x2
settle down, im so restlessi got a question a matter-of-fact
a deep leader, big cheater
im passing notes, writing letters
big believer, unachiever(oh please sir)
(can i have some more)
(oh please sir)
what you waiting for?
look at me,
im your only boy
you wanna tell me
im your pride and joy,
cradle me im so precious
settle down, im so restless x2look at me,
im your only boy
you wanna tell me
im your pride and joy,
cradle me cause im precious
settle down, im so restless x3
