Starting Tomorrow

Marshall Crenshaw

Starting tomorrow
If this night ever ends
Bring on tomorrow
'Cause I'll be
Heading back home again
And I know I'll feel more alive
As soon as I'm not alone
Starting tomorrowI'm gone
All I'm gonna do now
Is hang around waiting for the sun to rise
How can I sleep
When I hear a hundred voices in my head?When I close my eyes
Shadows on the wall
Stillness all around
And a feeling in my heart
That won't let me settle down
I've been restless
There was a time when that was all I knew
But not anymore
It only comes around and bothers meWhen I'm away from you
All night long it seemed like
Time was running slow
I can hardly remember now
Just why I had to go
