Stay A Little Longer

Merle Haggard

(spoken)
Biffy on the drums and Dennis, you on the bass
When I count this off, ya'll give me a little Texas
Playboy type rhythm, okay
One, two, three four
(spoken)
Gather round friends, why hurry
Let's all stay a little longer
(sing)
Ya oughta see my blue eyed Sally
She live way down on Shinbone Alley
The number on the gate, the number on the door
The next house over is the grocery store
Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why ya don't stay a little longer
(spoken) Georgie French on the piano
Good mornin' Joe
Can't go home if you're goin' by the mill
'Cause the bridge washed out at the bottom of the hill
The big creek's up and the little creek's level
I plow my corn with a doubled shovel
Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why ya don't stay a little longer
(spoken)

That's Tiny Roy
Hey
Sittin, in the window singin' to my love
Slop bucket fell from the window up above
Mule and grasshopper eatin' ice cream
The mule got sick so they laid him on the green
Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why ya don't stay a little longer

(scat singing)
Grab your gal and pat her on the head
If she don't like biscuits feed her corn bread
If the girls don't
They jump on a man like a dog on a bone
Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why ya don't stay a little longer
Stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why ya don't stay a little longer
