Ashin' Kusher

07-Kid Cudi

Uh yeah, uh yeah, aha yeah
First things first, we been rippin', get it in, Cudder
Niggas know the name, it's none other
I know you know me, the double O repper
Two stepper, gun toter nana, smoke kusher
I know you lovin' how I do it when I switch up the lizzane
Skinny niggy niggy in ya city getting chizzange
Like I'm Carmelo, meet me in the pizzaint
Yammin' on you sucka niggas, yammin' on these ho's
Roll swishers in the whip, I'm dippin' so quick
Ask Mel Whiskey mutherfucka, we up in this bitch
Ho's love Cuda, smooth duder, Cudois
I am climbing, I am climbing and I know why
Y'all know I keep it funky motherfucka, better get it right
Get it right, better get it right, get it right
Ooh, ooh, yeah, ooh, ooh
And I'll be rockin' along, zonin' and movin' along, zonin'
Ooh, ooh, yeah, ooh, ooh, hey
Doin' what I want, no need to front
Skinny and tatted the fuck up
Aye, pass me the blunts, baby, get up
We in this bitch, laxin'
Dennis know the game, he in the crowd mackin'
All up off the dome, no need to pen it friend
Me and my niggas, we gettin' ends again
Told my man plain pat, dog ever since day one
We gon' get it poppin', that's what I'm here for
If you know me, man, I don't really worry 'bout a nigga tryna judge
Who are you? Judy?
Girl, shake a feather
Do ya thing 'til you feel right
I know you know the name
The team we takin' flizzight
Y'all know I keep it funky motherfucka, better get it right
Get it right, better get it right, get it right
Ooh, ooh, yeah, ooh, ooh
And I'll be rockin' along, zonin' and movin' along, zonin'
Ooh, ooh, yeah, ooh, ooh, hey
Life, together, we all in together now, hey

All in together, all, all baby, we all in together now
Life, together, we all in together now
All in together, all, all baby, get it all in together now
Doin' what I need, hater I'm a-okay
How many times I tell 'em we don't care what people say
Even if I do something unruly, I be like
"Fuck it nigga, I was probably zooted"
Off top, honestly
The kush and goose combination harmful G
Found my own rhythm while I'm lookin' through my viennas
Everybody gon' talk that shit until they see 'em
Then they all on my ballsack, word
Then I bounce and they sayin' I'm absurd
You old jive ass nigga look around
Hey you be around, fam, I'm in a cloud
Y'all know I keep it funky motherfucka, better get it right
Get it right, better get it right, get it right
Ooh, ooh, yeah, ooh, ooh
And I'll be rockin' along, zonin' and movin' along, zonin'
Ooh, ooh, yeah, ooh, ooh, hey
Y'all know I keep it funky motherfucka, better get it right
Get it right, better get it right, get it right
Ooh, ooh, yeah, ooh, ooh
And I'll be rockin' along, zonin' and movin' along, zonin'
Ooh, ooh, ooh, ooh, hey
Ooh, ooh, ooh, ooh
And I'll be rockin' along, zonin' and movin' along, zonin'
Hey, yeah
