Turning tables

Cixi

Close enough to start a war
All that I have is on the floor
God only knows what we're fighting for
All that I say, you always say more
I can't keep up with your turning tables
Under your thumb, I can't breathe
So I won't let you close enough to hurt me
No, I won't ask you, you to just desert me
I can't give you what you think you gave me
It's time to say goodbye to turning tables, to turning tables
Under haunted skies I see
Where love is lost, your ghost is found
I've braved a hundred storms to leave you
As hard as you try, no, I will never be knocked down
I can't keep up with your turning tables
Under your thumb, I can't breathe
So I won't let you close enough to hurt me, no
I won't ask you, you to just desert me
I can't give you what you think you gave me
It's time to say goodbye to turning tables, turning tables
Next time I'll be braver, I'll be my own savior
When the thumb that cost me
Next time I'll be braver, I'll be my own savior
Standing on my own two feet
I won't let you close enough to hurt me, no
I won't ask you, you to just desert me
I can't give you what you think you gave me
It's time to say goodbye to turning tables, to turning tables
Turning tables, yeah, turning
