Karma

AlmA

I should have known from the start
You play reckless with my heart
And now you wanna say goodbye
So i'am gonna let you go
You still gonna pay for tho ... for every night
You let me here on my own
For every reason i believed in, every lie that you told
For every fight, you let my out in the cold
For every reason... heeeeyaa heeeeyaaI bring the karma,
you better run run run yeah, it's coming your way (hoohoowei x2)
I bring the karma,
you better run run yeah, that bitch don't play (hoohoowei x2)
I bring the karma to your game,
you better run run run yeah, it's coming your way (hahaha x2)
I bring the karma to your game,
you better run run yeah, that bitch don't play (hoohoowei x2)Now you're breaking hearts in the dark.. dark
You play your games with your cards.. cards
You will taste your poison in the end,
you should've let me go, cause now ima let you know
For every night, you let me here on my own
For every reason i believed in, every lie that you told
For every fight, you let me here on my own
For every reason... heeeeyaa heeeeyaaI bring the karma,
you better run run run yeah, it's coming your way (hoohoowei x2)
