Deja Vu

Hiromi Uehara

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the ski
No no no no you drive me crazy you crazy boy
I wanna live with you a deja vu.

I know I'm alive I'm feeling so blue
So take me away So take me with you
Hey mystery girl I'm falling for you
I'm ready tonight The last Deja Vu.

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the ski
No no no no you drive me crazy you crazy boy
I wanna live with you a deja vu.

La la la la la la

I don't wanna live I'm feeling so blue
So take me away So take me with you
Hey mistery girl I'm falling for you
I'm ready tonight The last deja Vu.

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the ski
No no no no you drive me crazy you crazy boy
I wanna live with you a deja vu.

No no no no no no no fire no fire eyes
I wanna feel the music higher and touch the ski
No no no no you drive me crazy you crazy boy
I wanna live with you a deja vu.

La la la la la la
