Hollow Men

é»’å´ŽçœŸéŸ³

I remember just last spring
Here inside my memory, I sing
All around me hollow men
Trembling at the thought of falling inOh, my Lord, oh, my Lord
Take me over and under her sun
'Cause I won't be coming backTo fading stars of death kingdom
Lord, I won't be coming back
Oh, my LordRunning circles with you love
It's hard for me to think of you
Here in this dead land, full of death
My heart is beating fast with tendernessOh, my Lord, oh, my Lord
Take me over and under her sun
'Cause I won't be coming backTo fading stars of death kingdom
No, I won't be coming back
Oh, my LordPlease come save me
Save me from my love
Please come save me
Save me from my loveTake me over and under her sun
'Cause I won't be coming back
